Arizona University System  
Notes to Full-Time Equivalent Student Enrollment Report  
Year Ended June 30, 2010

Note 1 - As required by Arizona Revised Statutes (A.R.S.) §15-1661, full-time equivalent student enrollment for each university comprising the Arizona University System is to be reported and audited annually. As prescribed by A.R.S. §15-1661, full-time equivalent student enrollment is calculated by adding the total number of enrolled fall and spring semester credit hours on the 45<sup>th</sup> day of instruction in 100-level and 200-level credit courses, divided by 15; in 300-level and 400-level credit courses, divided by 12; and in graduate level courses, divided by 10; and then dividing the sum of the full-time equivalent student enrollment for the fall and spring semesters by 2.

In addition, as required by A.R.S. §15-1626, full-time equivalent student enrollment is reduced for any student who has earned credit hours in excess of the undergraduate credit-hour threshold. The undergraduate credit-hour threshold is 155 hours for students who attended a university under the jurisdiction of the Arizona Board of Regents in fiscal year 2007, 150 hours in fiscal year 2008, and 145 hours after fiscal year 2008. The undergraduate credit-hour threshold shall be based on the actual full-time equivalent student enrollment counted on the 45<sup>th</sup> day after classes begin for the fall and spring semesters. The undergraduate credit hour threshold does not apply to:

- Degree programs that require credit hours above the credit-hour threshold.
- Credits earned in the pursuit of up to two baccalaureate degrees.
- Credits earned in pursuit of up to two state-regulated licensures and certificates.
- Credits earned in the pursuit of a teaching certification.
- Credits transferred from a private institution of higher education.
- Credits transferred from an institution of higher education in another state.
- Credits earned at another institution of higher education, but that are not accepted as transfer credits at the university where the student is currently enrolled.
- Credits earned by students who enroll at a university under the jurisdiction of the Arizona Board of Regents more than 24 months after the end of the students' previous enrollment at a public institution of higher education in the State of Arizona.
