Notes to Annual Expenditure Limitation Report For the Year Ended June 30, 2012

1) Summary of Significant Accounting Policies

The annual expenditure limitation report (AELR) is presented on the basis of accounting prescribed by the uniform expenditure reporting system (UERS), as required by Arizona Revised Statutes §41-1279.07, which excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20 from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed on Part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the statement of revenues, expenditures, and changes in fund balances for the governmental funds and the statement of changes in fiduciary net assets for the fiduciary funds.

2) Indebtedness

The exclusions claimed for debt service requirements on bonded indebtedness and debt service requirements on other long-term obligations in the Governmental Funds consist of principal retirement and interest expenditures of \$1,111,538 and \$559,500, respectively.

3) Trustee

The exclusion claimed for trustee or custodian in the governmental funds consists of \$460,290 in contributions by the County to the Arizona Health Care Cost Containment System for acute care, administrative cost contributions, and uncompensated care; \$80,331 for waste tire special revenues paid out to Blue Hills Environmental Association; and \$42,753 of commissary proceeds and expenditures for the Sheriff's Canteen.

In the fiduciary funds, the exclusion consists of \$284,492,394 in distributions to investment pool participants.

4) Intergovernmental Revenue

The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, highway user revenues, contracts with other political subdivisions, and trustee or custodian in the governmental funds:

Grants and aid from the federal government	\$ 4,281,940
Amounts received from the State of Arizona	5,788,934
Highway user revenues in excess of those received	
in fiscal year 1979-80	4,552,940

Trustee or custodian (Note 3)	583,374
Other revenues (nonexcludable)	 9,518,175
Total intergovernmental revenues as reported in the fund financial statements	\$ 24,974,940

5) Special Assessment Districts

The subtraction of \$5,674,931 for separate legal entities established under Arizona Revised Statutes consists of expenditures of special assessment districts included within the County's reporting entity, but not included in the Economic Estimates Commission base limit calculations, and are reported in the governmental funds category in the fund financial statements:

General government	\$ 30,000
Public safety	2,627,824
Culture and recreation	1,314,385
Health	 1,702,722
	\$ 5,674,931

Notes to Annual Expenditure Limitation Report For the Year Ended June 30, 2012

6) Fire Districts

The subtraction of \$522,316 for contributions to fire districts consists of payments that are not subject to the expenditure limitation. These expenditures were reported in public safety expenditures in the governmental funds category in the fund financial statements.

7) Community College Reimbursement Payments

The subtraction of \$803,380 for community college reimbursement payments pursuant to A.R.S. §15-1469.01 consists of payments that are not subject to the expenditure limitation. These expenditures were reported as education expenditures in the governmental funds category in the fund financial statements.

8) Long-Term Care Contributions Withheld

The subtraction for long-term care contributions withheld by the State Treasurer consists of transaction privilege taxes withheld by the State Treasurer to meet the County's share of long-term care costs that was reported as revenue and an offsetting expenditure in the County's governmental funds. Consequently, this expenditure has been subtracted on the reconciliation.
