

Arizona Auditor General

We have issued the [fiscal year \(FY\) 2024 charter school annual budget forms](#) in conjunction with the Arizona Department of Education (ADE). We have incorporated legislation enacted to date in the forms. As the Fifty-sixth Legislature, First Regular Session, has not yet concluded, any legislation enacted for FY 2024 charter funding calculations will be included in revised budget forms and apply to the entire fiscal year. We will notify charters by email if we issue revised forms. The most significant changes are described below.

Page 2— Laws 2023, Chapter 142, §2, repealed A.R.S. §15-249.08, removed Project 1457—Results-based Funding.

Calculations—Laws 2023, Ch. 133, §31, provided a one-time state aid supplement for FY 2024.

BSA55 tab— Laws 2023, Ch. 142, increased FRPL Group B support level weight and increased the base support level and charter additional assistance per student amounts.

Instructions—Increased the Classroom Site Project allocation.

The budget forms include the instructions for completing the FY 2024 charter school annual budget forms and budget summary. We have also posted the submission and publication instructions and budget adoption hearing notification form.

Changes from the previous year's budget forms have been highlighted light yellow. In addition, the instructions page includes a column "Summary of significant changes" to explain changes from the previous year's budget forms.

Schools may begin uploading their completed forms through the School Finance Budget System on ADE's website beginning **June 15, 2023**.
