

Coconino County Community College District

Single Audit Report

Year Ended June 30, 2021

A Report to the Arizona Legislature

Lindsey A. Perry
Auditor General

The Arizona Auditor General's mission is to provide independent and impartial information and specific recommendations to improve the operations of State and local government entities. To this end, the Office provides financial audits and accounting services to the State and political subdivisions, investigates possible misuse of public monies, and conducts performance audits and special reviews of school districts, State agencies, and the programs they administer.

Independent auditors' report on internal control over financial reporting and on compliance and other matters based on an audit of basic financial statements performed in accordance with *Government Auditing Standards*

Members of the Arizona State Legislature

The Governing Board of
Coconino County Community College District

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities and discretely presented component unit of Coconino County Community College District as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated November 30, 2021. Our report includes a reference to other auditors who audited the financial statements of the Coconino Community College Foundation, the discretely presented component unit, as described in our report on the District's financial statements. The Foundation's financial statements were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with the Foundation.

Internal control over financial reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the District's basic financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2021-01, that we consider to be a significant deficiency.

Compliance and other matters

As part of obtaining reasonable assurance about whether the District's basic financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

District response to findings

The District's responses to the findings identified in our audit are presented in its corrective action plan at the end of this report. The District is responsible for preparing a corrective action plan to address each finding. The District's responses and corrective action plan were not subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we express no opinion on them.

Purpose of this report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

DEPUTY AUDITOR GENERAL

**Independent auditors' report on compliance for each major federal program;
report on internal control over compliance; and report on schedule of
expenditures of federal awards required by the Uniform Guidance**

Members of the Arizona State Legislature

The Governing Board of
Coconino County Community College District

Report on compliance for each major federal program

We have audited Coconino County Community College District's compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021. The District's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' responsibility

Our responsibility is to express an opinion on compliance for each of the District's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the District's compliance.

Opinion on each major federal program

In our opinion, the District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended June 30, 2021.

Report on internal control over compliance

The District's management is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on schedule of expenditures of federal awards required by the Uniform Guidance

We have audited the financial statements of the District's business-type activities and discretely presented component unit as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements. We issued our report thereon dated November 30, 2021, that contained unmodified opinions on those financial statements. Our report also included a reference to our reliance on other auditors. Our audit was conducted for the purpose of forming our opinions on the financial statements that collectively comprise the District's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of the District's management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information

directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Dollar threshold used to distinguish between Type A and Type B programs \$750,000

Auditee qualified as low-risk auditee? Yes

Financial statement findings

2021-01

The District's control procedures over IT systems and data were not sufficient, which increases the risk that the District may not adequately protect those systems and data

Condition—The District's control procedures were not sufficiently implemented to respond to risks associated with its IT systems and data because its procedures over restricting access did not consistently help prevent or detect unauthorized or inappropriate access to its IT systems and data.

Effect—There is an increased risk that the District may not adequately protect its IT systems and data, which could result in unauthorized or inappropriate access and/or the loss of confidentiality or integrity of systems and data.

Cause—The District worked on correcting prior year audit findings and created new policies and procedures during the fiscal year. However, because of critical needs caused by the COVID-19 pandemic, the IT Department had limited time and was unable to fully implement new policies and procedures.

Criteria—The District should follow a credible industry source such as the National Institute of Standards and Technology to implement effective internal controls that protect its IT systems and help ensure the integrity and accuracy of the data it maintains. Logical access controls help to ensure systems and data are accessed by users who have a need, systems and data access granted is appropriate, and key systems and data access is monitored and reviewed.

Recommendations—The District should:

1. Make it a priority to implement its new policies and procedures to address restricting access to IT systems and data.
2. Assign and periodically review employee user access ensuring appropriateness and compatibility with job responsibilities.
3. Remove terminated employees' access to IT systems and data.

The District's corrective action plan at the end of this report includes the views and planned corrective action of its responsible officials. We are not required to audit and have not audited these responses and planned corrective actions and therefore provide no assurances as to their accuracy.

This finding is similar to prior-year finding 2020-02.

COCONINO COUNTY COMMUNITY COLLEGE DISTRICT
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
Fiscal Period 7/1/2020 - 6/30/2021

Significant Accounting Policies Used in Preparing the SEFA

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Also, included in the schedule is \$1,313,271 in revenues recorded for the Educational Stabilization Fund (84.425F) program that were received by the District to recover lost revenues. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

10% De Minimis Cost Rate

The District elected to use the 10 percent de minimis indirect cost rate.

Basis of presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Coconino County Community College District for the year ended June 30, 2021. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

Federal Assistance Listings numbers

The program titles and Federal Assistance Listing numbers were obtained from the federal or pass-through grantor or the 2021 Federal Assistance Listings.

DISTRICT RESPONSE

November 8, 2021

Lindsey Perry
Auditor General
2910 N. 44th St., Ste. 410
Phoenix, AZ 85018

Dear Ms. Perry:

We have prepared the accompanying Corrective Action Plan as required by the standards applicable to financial audits contained in *Government Auditing Standards* and by the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*. Specifically, for each finding we are providing you with our responsible officials' views, the names of the contact people responsible for corrective action, the corrective action planned, and the anticipated completion date.

Sincerely,

A handwritten signature in black ink, appearing to read "Jami Van Ess".

Jami Van Ess
Executive Vice President

Coconino County Community College District
Corrective action plan
Year ended June 30, 2021

Financial statement findings

2021-01

The District's control procedures over IT systems and data were not sufficient, which increases the risk that the District may not adequately protect those systems and data

Contact Person: Brian Wilson, Director of Information Technology Systems

Anticipated completion date: June 30, 2022

Corrective Action: To help prevent and detect unauthorized access or use, manipulation, damage, or loss to its IT resources, the District will strive to review its logical access policies and procedures over its IT resources against current IT standards and best practices, update them where needed, and implement them district-wide, as appropriate.

November 8, 2021

Lindsey Perry
Auditor General
2910 N. 44th St., Ste. 410
Phoenix, AZ 85018

Dear Ms. Perry:

We have prepared the accompanying summary schedule of prior audit findings as required by the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Specifically, we are reporting the status of audit findings included in the prior audit's schedule of audit findings and questioned costs. This schedule also includes the status of audit findings reported in the prior year audit's summary schedule of prior audit findings that were not corrected.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jami Van Ess', is written in a cursive style.

Jami Van Ess
Executive Vice President

**Coconino County Community College District
Summary Schedule of Prior Audit Findings Year
ended June 30, 2021**

Status of Financial statement findings

Managing risk.

Finding number: 2018-01, 2019-01 and 2020-01

Status: Corrected.

Information technology (IT) Controls - access and security

Finding number: 2018-02, 2019-02 and 2020-02

Status: Partially corrected. Security has been effectively corrected as has physical access.

Explanation: Efforts continue to implement the prior year's corrective action plan. As anticipated, resource constraints and the requirements of operations and maintenance for existing technologies along with significant software updates and reorganization within the department have not allowed for adequate budget or time to implement the corrective action plan entirely. Additionally, the demands on the department due to the pandemic have been many and became a priority, delaying some of this implementation. Work is progressing, however.
