Gila County
Notes to Annual Expenditure Limitation Report
Year ended June 30, 2018

Note 1 - Summary of significant accounting policies

The Annual Expenditure Limitation Report (AELR) is presented as prescribed by the Uniform Expenditure Reporting System (UERS), as required by Arizona Revised Statutes §41-1279.07. The AELR excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20, from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS, a note to the AELR is presented below for any exclusion claimed on part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the statement of revenues, expenditures, and changes in fund balances for the governmental funds; statement of revenues, expenses, and changes in fund net position for the proprietary funds; statement of cash flows for the proprietary funds; and the statement of changes in fiduciary net position for the fiduciary funds.

Note 2

The exclusion claimed for debt service requirements consists of principal retirement and interest expenditures in the general fund.

Note 3

The \$608,097 exclusion claimed for dividends, interest, and gains on the sale or redemption of investment securities in the governmental funds includes investment earnings expended of \$254,854 and interest on delinquent taxes expended of \$353,243, which was recorded as tax revenue.

Note 4

The \$1,413,200 exclusion claimed for trustee or custodian in the governmental funds consists of county contributions to the Arizona Health Care Cost Containment System for acute care, uncompensated care, and administrative costs; and in the fiduciary funds, the exclusion consists of \$99,772,316 in distributions to investment pool participants.

Note 5

The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, highway user revenues, and amounts received for distribution to school districts in the governmental funds:

Description	
Grants and aid from the federal government	\$ 9,134,468
Highway user revenues in excess of those received in fiscal year 1979-80	3,537,174
Amounts received for distribution to school districts	2,391,507
Other revenues (nonexcludable)	<u>13,105,449</u>
Total intergovernmental revenues as reported in the governmental fund financial statements	<u>\$28,168,598</u>

Gila County
Notes to Annual Expenditure Limitation Report
Year ended June 30, 2018

Note 6

The \$15,542 add-back for pension and other post employment benefit (OPEB) expense consists of changes in the net pension and OPEB liabilities, changes in deferred outflows related to pensions and OPEB, and changes in deferred inflows related to pensions and OPEB, recognized in the current year in the enterprise fund. The \$46,700 addition for pension and OPEB contributions paid in the current year consists of the required pension and OPEB contributions made to the Arizona State Retirement System from the enterprise fund.

Note 7

The \$441,630 subtraction for landfill closure and postclosure care and pollution remediation costs consists of the portion of the total estimated liability reported as expenses in the current year but not yet paid in the enterprise funds.

Note 8

The \$1,479,989 subtraction for separate legal entities established under Arizona Revised Statutes consists of expenditures of special assessment districts and municipal property corporations included within the County’s reporting entity, but not included in the Economic Estimates Commission base limit calculations, and are reported in the governmental funds category in the fund financial statements:

Special assessment districts	
Culture and recreation	\$1,427,086
Highways and streets	<u>52,903</u>
Total	<u>\$1,479,989</u>

Note 9

The subtraction for long-term care contributions the State Treasurer withheld consists of transaction privilege taxes the State Treasurer withheld to meet the County’s share of long-term care costs that was reported as a revenue and an offsetting expenditure in the County’s governmental funds. Consequently, this expenditure has been subtracted on the reconciliation.
