We have audited the accompanying Annual Expenditure Limitation Report of Navajo County for the year ended June 30, 2007. This report is the responsibility of the County's management. Our responsibility is to express an opinion on this report based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the report is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the report. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall report presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Annual Expenditure Limitation Report was prepared for the purpose of complying with the uniform expenditure reporting system as discussed in Note 1, and is not intended to be a presentation in conformity with U.S. generally accepted accounting principles.

In our opinion, the Annual Expenditure Limitation Report of Navajo County for the year ended June 30, 2007, referred to above presents fairly, in all material respects, the information required by the uniform expenditure reporting system on the basis of accounting described in Note 1.

Notes to Annual Expenditure Limitation Report
Year Ended June 30, 2007

Note 1 - Summary of Significant Accounting Policies

The Annual Expenditure Limitation Report (AELR) is presented on the basis of accounting prescribed by the uniform expenditure reporting system (UERS), as required by Arizona Revised Statutes §41-1279.07, which excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20, from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed on Part II and each subtraction or addition in the Reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental Funds; Statement of Revenues, Expenses, and Changes in Fund Net Assets for the Proprietary Funds; Statement of Cash Flows for the Proprietary Funds; and the Statement of Changes in Fiduciary Net Assets for the Fiduciary Funds.

Note 2 - The exclusion claimed for debt service requirements on other long-term obligations in the Governmental Funds consists of principal retirement of \$21,836 and interest and other charges of \$179,518.

Note 3 - The exclusion claimed for dividends, interest, and gains on the sale or redemption of investment securities of \$1,923,065 in the Governmental Funds includes interest on investments expended of \$1,440,650 and interest on delinquent taxes expended of \$482,415, which was recorded as tax revenue. The remaining investment earnings in the Governmental Funds of \$287,083 is attributable to separate legal entities that are not included in the Economic Estimates Commission base limit calculations and have already been subtracted on the Reconciliation.

Note 4 - The exclusion claimed for trustee or custodian in the Governmental Funds consists of \$499,280 in contributions by the County to the Arizona Health Care Cost Containment System for acute care, uncompensated care, and administration; and in the Fiduciary Funds, the exclusion consists of \$244,833,828 in distributions to investment pool participants.

Note 5 - The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, highway user revenues, and contracts with other political subdivisions in the Governmental Funds:
