We have audited the accompanying Annual Budgeted Expenditure Limitation Report of Pinal County Community College District for the year ended June 30, 2006. This report is the responsibility of the District's management. Our responsibility is to express an opinion on this report based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the report is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the report. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall report presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Annual Budgeted Expenditure Limitation Report was prepared for the purpose of complying with the uniform expenditure reporting system as discussed in Note 1, and is not intended to be a presentation in conformity with U.S. generally accepted accounting principles.

In our opinion, the Annual Budgeted Expenditure Limitation Report of Pinal County Community College District for the year ended June 30, 2006, referred to above presents fairly, in all material respects, the information required by the uniform expenditure reporting system on the basis of accounting described in Note 1.

 Notes to Annual Budgeted Expenditure Limitation Report
 Year Ended June 30, 2006

Note 1 - Summary of Significant Accounting Policies

The Annual Budgeted Expenditure Limitation Report (ABELR) is presented on the basis of accounting prescribed by the uniform expenditure reporting system (UERS), as required by Arizona Revised Statutes (A.R.S.) §41-1279.07, which excludes expenditures of certain revenues specified in the Arizona Constitution, Article IX, §21 from the total budgeted expenditures.

The information reported in both the ABELR and the financial statements is derived from the same underlying accounting data. However, the formats of the ABELR and the financial statements differ. The ABELR presents budgeted expenditures, exclusions, and amounts subject to the limitation by fund type as required by A.R.S. §41-1279.07. The financial statements present the net assets, changes in net assets, and cash flows in accordance with U.S. generally accepted accounting principles.

In accordance with the UERS requirements, a note to the ABELR is presented below for any exclusion reported in the Total column on Part II that cannot be traced directly to an amount reported in the annual financial statements.

Note 2 - Exclusions claimed for debt service requirements on bonded indebtedness and debt service requirements on other long-term obligations are \$2,126,564 and \$140,000, respectively. Both amounts are included in the amounts reported as the current portion of long-term debt on the Statement of Net Assets—Primary Government, and as interest expense on debt on the Statement of Revenues, Expenses, and Changes in Net Assets—Primary Government.

Note 3 - The following schedule presents revenues from which exclusions have been claimed for grants and aid from the federal government and contracts with other political subdivisions:
