The Board of Supervisors of  
Santa Cruz County, Arizona

We have audited the accompanying Annual Expenditure Limitation Report of Santa Cruz County for the year ended June 30, 2006. This report is the responsibility of the County's management. Our responsibility is to express an opinion on this report based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the report is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the report. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall report presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Annual Expenditure Limitation Report was prepared for the purpose of complying with the uniform expenditure reporting system as discussed in Note 1, and is not intended to be a presentation in conformity with U.S. generally accepted accounting principles.

In our opinion, the Annual Expenditure Limitation Report of Santa Cruz County for the year ended June 30, 2006, referred to above presents fairly, in all material respects, the information required by the uniform expenditure reporting system on the basis of accounting described in Note 1.

Notes to Annual Expenditure Limitation Report  
Year Ended June 30, 2006

**Note 1 - Summary of Significant Accounting Policies**

The Annual Expenditure Limitation Report (AELR) is presented on the basis of accounting prescribed by the uniform expenditure reporting system (UERS), as required by Arizona Revised Statutes §41-1279.07, which excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20 from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed on Part II and each subtraction or addition in the Reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental Funds; Statement of Revenues, Expenses, and Changes in Fund Net Assets for the Proprietary Funds; Statement of Cash Flows for the Proprietary Funds; and the Statement of Changes in Fiduciary Net Assets for the Fiduciary Funds.

**Note 2 -** The exclusion claimed for debt service requirements on other long-term obligations consists of \$1,013,108 reported as principal and interest payments on capital leases and long-term notes payable in the Governmental Funds. The exclusion in the Enterprise Fund consists of \$192,016 reported as principal and interest paid on capital leases.

**Note 3 -** The exclusion claimed for trustee or custodian in the Governmental Funds consists of \$482,800 in contributions by the County to the Arizona Health Care Cost Containment System for acute care, and \$10,945 for purchases made on behalf of various law enforcement agencies. In the Fiduciary Funds, the exclusion consists of \$106,943,286 in distributions to external investment pool and individual investment account participants.

**Note 4 -** The exclusion claimed for refunds, reimbursements, and other recoveries of \$76,922 in the Governmental Funds consists of expenditures for salaries that were reimbursed by the Literacy Volunteers of America. These expenditures are reported as education and economic opportunity expenditures in the Governmental Funds.

**Note 5 -** The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, highway user revenues, and contracts with other political subdivisions in the Governmental Funds and Enterprise Fund:

Description	Governmental Funds	Enterprise Fund
Grants and aid from the federal government	\$ 6,073,192

**Note 6 -** The exclusion claimed for contracts with other political subdivisions of \$590,991 in the Enterprise Fund consists of landfill fees revenues expended.

**Note 7 -** The subtraction of \$938,665 for separate legal entities established under Arizona Revised Statutes consists of expenditures of the Flood Control District included within the County's reporting entity, but not included in the Economic Estimates Commission base limit calculations, and is reported as highways and streets expenditures in the Governmental Funds category in the fund financial statements.

**Note 8 -** The subtraction of \$763,337 for community college reimbursement payments is reported as education and economic opportunity expenditures in the Governmental Funds in the fund financial statements.

**Note 9 -** The subtraction for long-term care contributions withheld by the State Treasurer consists of transaction privilege taxes withheld by the State Treasurer to meet the County's share of long-term care costs that was reported as a revenue and an offsetting expenditure in the County's Governmental Funds. Consequently, this expenditure has been subtracted on the Reconciliation.
