NOTES TO ANNUAL BUDGETED EXPENDITURE LIMITATION REPORT  
YEAR ENDED JUNE 30, 2008**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The Annual Budgeted Expenditure Limitation Report (ABELR) is presented on the basis of accounting prescribed by the uniform expenditure reporting system (UERS), as required by Arizona Revised Statutes (A.R.S.) §41-1279.07, which excludes expenditures of certain revenues specified by the Arizona Constitution, Article IX, §21 from the total budgeted expenditures.

The information reported in both the ABELR and the financial statements is derived from the same underlying accounting data. However, the formats of the ABELR and the financial statements differ. The ABELR presents budgeted expenditures, exclusions, and amounts subject to the limitation by fund type as required by A.R.S. §41-1279.07. The financial statements present the net assets, changes in net assets, and cash flows in accordance with U.S. generally accepted accounting principles.

In accordance with UERS requirements, a note to the ABELR is presented below for any exclusion reported in the Total column on Part II that cannot be traced directly to an amount reported on the annual financial statements.

**NOTE 2** The District claimed the following exclusions: \$2,566,228 for purchases financed with other long-term obligations and \$960,477 for amounts accumulated for the purchase of land and the purchase or construction of buildings or improvements. These amounts, as well as the \$703,900 excluded for purchases financed with the amounts received from the State of Arizona for the purchase of land, and the purchase or construction of buildings or improvements, are included as part of the \$7,346,469 reported as purchases of capital assets on the Statement of Cash Flows – Primary Government, except that the purchases of capital assets amount includes amounts financed with other, non-excludable revenues and prior year's carryforward (see Note 8).

**NOTE 3** Exclusions claimed for debt service requirements on bonded indebtedness and debt service requirements on other long-term obligations are \$5,432,551 and \$1,846,415, respectively.

Both amounts are included in the amounts reported as principal paid on capital debt on the Statement of Cash Flows – Primary Government and interest expense on debt on the Statement of Revenues, Expenses, and Changes in Net Assets – Primary Government, except that interest expense did not include \$17,261 in capitalized interest.
