Year ended June 30, 2021

---

### Note 1 - Summary of significant accounting policies

The Annual Expenditure Limitation Report (AELR) is presented as prescribed by the Uniform Expenditure Reporting System (UERS), as required by Arizona Revised Statutes (A.R.S.) §41-1279.07. The AELR excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20, from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS, a note to the AELR is presented below for any exclusion claimed on part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the statement of revenues, expenditures, and changes in fund balances for the governmental funds; statement of revenues, expenses, and changes in fund net position for the proprietary funds; statement of cash flows for the proprietary funds; and the statement of changes in fiduciary net position for the fiduciary funds.

### Note 2

The exclusion claimed for debt proceeds consist of long term debt issued to make additional contributions to the Public Safety Personnel Retirement System Plan and the Corrections Officer Retirement Plan in the amount of \$34,379,254 to help satisfy the actuarial unfunded liability for both pension plans.

### Note 3

The \$1,605,659 exclusion claimed for trustee or custodian in the governmental funds consists of the County's contributions to the Arizona Health Care Cost Containment System for acute care and administrative costs; and in the fiduciary funds, the exclusion consists of \$455,482,956 in distributions to external investment pool participants, \$2,700,438 of other deductions for private-purpose trust funds, and \$117,716,373 in various deductions to other custodial funds.

### Note 4

The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, and highway user revenues in the governmental funds:

<b>Description</b>	<b>Amount</b>
Grants and aid from federal government	\$31,970,228
Amounts received from the State of Arizona	14,952,704
Highway user revenues in excess of those received in fiscal year 1979-80	11,611,118
Other revenues- (non-excludable)	30,355,707
<b>Total intergovernmental revenues as reported in the fund financial statements</b>	<b>\$88,889,757</b>

### Note 5

The exclusion claimed for quasi-external interfund transactions in the internal service funds includes employer and employees' medical contributions for health and other insurance. These expenditures are recorded as health services claims throughout various funds within the financial statements.

### Note 6

The \$59,836 addition for pension contributions paid in the current year consists of the required pension contributions made to the Arizona State Retirement System from the internal service funds.

The schedule below reconciles the net effect the subtraction and addition have on the expenditures subject to the limitation to the amounts reported on the statement of cash flows' net effect on cash.

<u>Statement of Cash Flows</u>	<u>Internal Service Funds</u>

### **Note 7 (concluded)**

The \$8,392,501 addition for county monies transferred to separate legal entities consists of the county's required maintenance of effort payment of \$7,605,603 to the jail district and \$786,898 to the public health district that are reported as transfer in to these separate legal entities.

### **Note 8**

The subtraction for long-term care contributions withheld by the State Treasurer consists of transaction privilege taxes the State Treasurer withheld to meet the County's share of long-term care costs that was reported as a revenue and an offsetting expenditure in the County's governmental funds. Consequently, this expenditure has been subtracted on the reconciliation.

### **Note 9**

The \$779,000 addition for claims paid in the current year, but reported as expenses incurred but not reported in previous years, consists of cash payments in the current year for claims recognized as an expense in previous years in the internal service funds.
