Yuma County

Notes to Annual Expenditure Limitation Report

Year ended June 30, 2022

Note 1 - Summary of significant accounting policies

The Annual Expenditure Limitation Report (AELR) is presented as prescribed by the Uniform Expenditure Reporting System (UERS), as required by Arizona Revised Statutes (A.R.S.) §41-1279.07. The AELR excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20, from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS, a note to the AELR is presented below for any exclusion claimed on part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the statement of revenues, expenditures, and changes in fund balances for the governmental funds; statement of revenues, expenses, and changes in fund net position for the proprietary funds; statement of cash flows for the proprietary funds; and the statement of changes in fiduciary net position for the fiduciary funds.

Note 2

The \$1,608,355 exclusion claimed for trustee or custodian in the governmental funds consists of the County's contributions to the Arizona Health Care Cost Containment System for acute care and administrative costs; and in the fiduciary funds, the exclusion consists of \$549,560,677 in distributions to external investment pool participants, \$702,958 of other deductions for private-purpose trust funds, and \$138,318,439 in various deductions to other custodial funds.

Note 3

The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, and highway user revenues in the governmental funds:

<u>Description</u>	<u>Amount</u>
Grants and aid from federal government	\$44,666,927
Amounts received from the State of Arizona	17,028,854
Highway user revenues in excess of those received in fiscal year 1979-80	12,365,252
Other revenues- (non-excludable)	46,804,105
Total intergovernmental revenues as reported in the fund financial statements	\$ 120,865,138

Note 4

The exclusion claimed for quasi-external interfund transactions in the internal service funds of \$11,234,007 consist of charges for service revenues paid from other county funds to the internal service funds for employer and employees' medical contributions for health and other insurance. These expenditures are recorded as health services claims throughout various funds within the financial statements.

Note 5

The \$(126,017) subtraction for pension expense consist of the change in net pension liability, change in deferred outflows related to pension, and changes in deferred inflows related to pensions recognized in the current year in the internal service funds. The \$97,890 addition for pension contributions paid in the current year consists of the required pension contributions made to the Arizona State Retirement System from the internal service funds.

The schedule below reconciles the net effect the subtraction and addition have on the expenditures subject to the limitation to the amounts reported on the statement of cash flows' net effect on cash.

<u>Statement of Cash Flows</u>	<u>Internal Service Funds</u>
Change in deferred inflows related to pensions	\$ 61,273
Change in deferred outflows related to pensions	91,811
Change in net pension liability	(376,991)
Total	\$ (223,907)

* Negative amounts represent a net addition and positive amounts represent a net subtraction on the AELR.

AELR- Reconciliation

Pension contributions- addition	\$ 97,890
Pension expense (income)- subtraction	(126,017)
Total	\$ 223,907

Note 6

The \$46,009,547 subtraction for separate legal entities established under Arizona Revised Statutes consists of expenditures of special assessment districts and municipal property corporations included within the County's reporting entity, but not included in the Economic Estimates Commission base limit calculations, that are reported in the governmental funds:

Special Assessment Districts	
General government	\$ 1,517,152
Principal retirement	153,890

Notes to Annual Expenditure Limitation Report

Year ended June 30, 2022

Note 6 (concluded)

The \$8,243,479 addition for county monies transferred to separate legal entities consists of the county's required maintenance of effort payment of \$7,456,581 to the jail district and \$786,898 to the public health district that are reported as transfers in to these separate legal entities.

Note 7

The subtraction for long-term care contributions withheld by the State Treasurer consists of transaction privilege taxes the State Treasurer withheld to meet the County's share of long-term care costs that was reported as a revenue and an offsetting expenditure in the County's governmental funds. Consequently, this expenditure has been subtracted on the reconciliation.

Note 8

The \$910,440 addition for claims paid in the current year, but reported as expenses incurred but not reported in previous years, consists of cash payments in the current year for claims recognized as an expense in previous years in the internal service funds.
