## Note 1 - Summary of Significant Accounting Policies

The annual expenditure limitation report (AELR) is presented as prescribed by the uniform expenditure reporting system (UERS), as required by Arizona Revised Statutes 41-1279.07. The AELR excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, Section 20, from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS, a note to the AELR is presented below for any exclusion claimed on Part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the statement of revenues, expenditures, and changes in fund balances for the governmental funds; statement of revenues, expenses, and changes in fund net position for the proprietary funds; statement of cash flows for the proprietary funds; and the statement of changes in fiduciary net position for the fiduciary funds.

## Note 2 - Trustee or Custodian

The exclusion claimed for trustee or custodian in the governmental funds consists of \$1,325,100 in county contributions to the Arizona Health Care Cost Containment System for acute care; \$247,600 for administrative cost contributions; and \$183,900 in uncompensated care contributions. In the fiduciary funds, the exclusion consists of \$430,872,331 in distributions to investment pool participants.

## Note 3 - Federal Grants and Aid, State of Arizona, and Highway User Revenue Fund Exclusion

The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, and highway user revenues in the governmental funds:

Total intergovernmental revenues as reported in the fund financial statements	<u>\$ 62,165,929</u>

## Note 4 - Quasi-external Interfund Transactions

## Note 5 - Claims Incurred but Not Reported

The subtraction of \$1,265,000 for claims incurred but not reported consists of the estimated costs of claims incurred and expensed in the current year but not yet paid in the internal service funds.

## Note 6 - Separate Legal Entities

The subtraction of \$31,130,877 for separate legal entities established under Arizona Revised Statutes consists of expenditures of special assessment districts and municipal property corporations included within the County's reporting entity, but not included in the Economic Estimates Commission base limit calculations, and are reported in the governmental funds category in the fund financial statements:

### Special assessment districts

Capital outlay	44,057
Principal retirement	158,182
Interest and fiscal charges	81,777
Total	<u>\$ 1,195,803</u>

### Municipal property corporations

Furthermore, the expenditures above are also reduced by the required continuation support and maintenance of effort contributions amounts of \$786,898 for the health services district and \$6,885,255 for the jail district.

## Note 7 - Long-term Care Contributions

The subtraction for long-term care contributions withheld by the State Treasurer consists of transaction privilege taxes the State Treasurer withheld to meet the County's share of long-term care costs that was reported as a revenue and an offsetting expenditure in the County's governmental funds. Consequently, this expenditure has been subtracted on the reconciliation. The following schedule reflects the presentation of these payments as welfare expenditures in the general fund.
