

Santa Cruz County Provisional Community College District Annual financial statement audit

The District's fiscal year 2022 reported financial information is reliable. The District's auditors did not report any deficiencies or noncompliance.¹

Audit's purpose

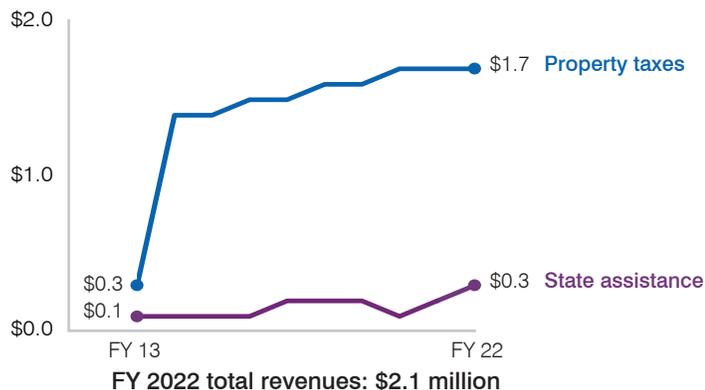

To express opinions on the District's financial statements and, if applicable, to report findings over noncompliance with certain laws and regulations or other financial deficiencies.

Primary revenue sources and how they were spent

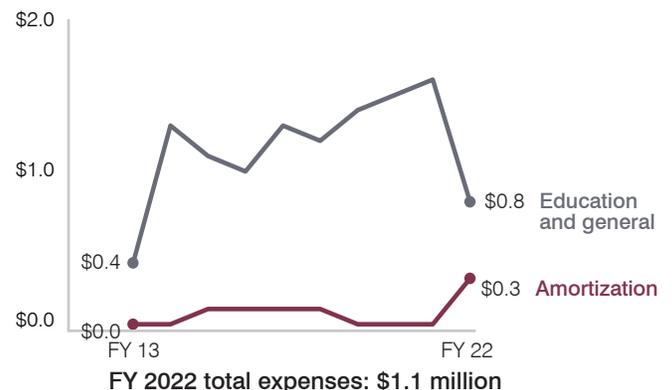

Fiscal years (FY) 2013 through 2022

(In millions)

Primary revenue sources

Primary expense purposes

Source: Auditor General staff summary of information obtained from the District's financial statements.

Primary revenue sources FY 2022

- **Property taxes 83.2%**—Levied and collected from property owners based on the assessed value of real and personal property within Santa Cruz County. In fiscal year 2014, the District approved a property tax rate increase to support significant enrollment growth at the District.
- **State assistance 15.8%**—Includes State appropriations for general operations and maintenance and science/technology and workforce programs, and the District's share of State sales taxes.

Primary expense purposes FY 2022

- **Education and general 73.6%**—Costs for providing educational programs and services to students through intergovernmental agreements with an accredited Arizona community college district and other educational service providers, including general costs for educational program oversight and administration of District operations. Expenses increased in fiscal year 2014 because of significant enrollment growth at the District. Expenses decreased in fiscal year 2022 because of decreased enrollment and reduced payroll costs, including pension expense.
- **Amortization 26.4%**—The cost of capital assets, such as leasehold improvements and intangible right-to-use lease assets, is allocated over the shorter of the lease term or the useful life of the underlying asset and reported as amortization expense.

District's net position increased in FY 2022

District revenues were \$0.9 million greater than its expenses, increasing total net position to \$4.1 million at June 30, 2022. Net position includes all assets, such as right-to-use lease assets, cash, and receivables, less all liabilities, such as unpaid pension and other payroll obligations, lease obligations, and accounts payable. Of the total net position, (\$0.003) million represents the District's net investment in capital assets, and the remaining \$4.103 million is unrestricted.

¹ The certified public accounting firm CWDL, CPAs, conducted these audits under contract with the Arizona Auditor General in accordance with Arizona Revised Statutes §41-1279.21.
